14<sup>th</sup> July, 2016

Dear Sirs,

**Subject: Authorisation**

By this Letter FSUE MAYAK PA confirms that RAIMS Limited has been authorised to manage the collection and return to FSUE MAYAK PA of Am-241, AmBe and Cs-137 radioactive sources produced by FSUE MAYAK PA in its role as a contract manufacturer for foreign designers.

All source returns to FSUE MAYAK PA arranged by RAIMS Limited shall be performed in accordance with a contract between RAIMS Limited and FSUE MAYAK PA. The Customer shall arrange shipment of returned sources to FSUE MAYAK PA in accordance with instructions from RAIMS Limited.

All information associated with source returns such as requirements and conditions for return, a list of the necessary documents to be provided by the Customer, procedures for arranging despatch to Russia, the most efficient logistics and the cost of services, etc., shall be provided to the Customer by RAIMS Limited.

Your sincerely,

D.N.Koloupaev  
Deputy Director General  
for Strategic Development  
FSUE "Mayak" PA
